August 8, 1962

Dear New Citizen:

The Congress of the United States by Joint Resolution has designated one day each year as Citizenship Day, or as it is more generally known "I Am An American Day". This day is in honor of all who have become citizens of the United States during the preceding year.

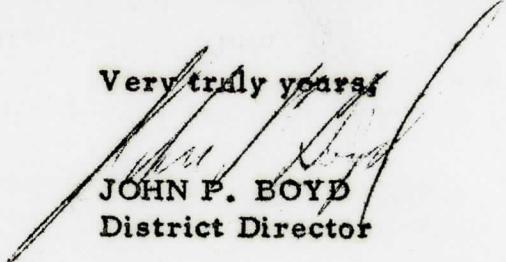

Citizenship Day in Tacoma will be observed this year by the recognition of new citizens in the Auditorium of the Public Utilities Building Thursday evening, September 13, 1962, at eight o'clock. An unusually fine program has been arranged, including band and chorus selections, a presentation of flags and banners and outstanding speakers.

The Public Utilities Building is located just off Union Avenue midway between Center Street and South Tacoma Way. There is ample parking place in both the front and side of the building.

You are cordially invited to attend this program and also to bring your family and friends with you as all are welcome. There will be a special reserved section in front for the new citizens and their families and friends. The September thirteenth ceremony will also honor the young men and women who came of age this past year by attaining their twenty-first birthday. You are urged to invite and to bring such young relatives and neighbors with you to this program.

Please present this letter at the Auditorium as it identifies you as an honored guest.

Very truly yours,

JOHN P. BOYD
District Director
