# CELEBRATION!!

Memorable!

2004 The "We Are Family" emergency shelter home opens, featuring 70 beds. An estimated 130 women and children walk through the front door annually.

2005 KWA begins outreach program to assist seniors in obtaining insurance services, especially Medicare and Medicaid. This was expanded to include insurance services under the Affordable Care Act in 2010.

2006 KWA begins painting at newly completed affordable housing complex, The Apple Orchard. Built on donated land that had been used as a dump site for years, rehabilitated property is now home to five family houses and an orchard that provides tons of pounds of fresh fruit to local banks and food banks.

2007 KWA moves into The Orchard Place in October 2009. It's very nice and comfortable for my old age. Living here has been a great experience for me to get a vehicle and get back to school for my education. I'm happy to be a part of this new community for my years to go to school. (Susan, 78)

2008 KWA opens its new senior center in the new neighborhood. The center is now open to the public and provides a safe and secure place for seniors to socialize and enjoy life.

2009 KWA provides a safe and secure place for seniors to socialize and enjoy life. The center is now open to the public and provides a safe and secure place for seniors to socialize and enjoy life.

such a wonderful opportunity  
possible. It was a  
great trip, and I hope  
I can use what I learned  
to benefit the Korean  
community.
