To Whom This May Concern:

Wanda Thompson has been highly active over the years with the Downtown Tacoma Association (DTA). She has been involved in public relations, served as chairperson for the Ms. Downtown Tacoma event, and helped with fund raising and other activities.

Wanda is a well organized person, and has done an excellent job working with people. Even though the DTA is a volunteer business group, one can see strong traits in people when they work well with others and when they give of themselves to make our city a better place.

We appreciate Wanda for the outstanding job she has done for the DTA over the years. If you have any questions, please don't hesitate to call me.

Sincerely yours,

Rohn Burgess
President
