SPOTLIGHT

CHARLES CARSON, otherwise known as "CC Dove" is an active participant in his community. CHARLES is a person of great qualities and talents that contributes much to the youth of today

CHARLES is a person that came up from the streets of "T-Town" and turned himself around. CHARLES has fulfilled many of his dreams. As being one of the founders that helped create the LateNight program, CHARLES is also one of the advisers of a newly formed youth against violence programs called B.L.I.N.D. (Being Led In a New Direction).

Currently, CHARLES is the Saturday night supervisor at LateNight. CHARLES is a role model for the youth of today. CHARLES goes around to various schools speaking about his life experiences and the knowledge he has gained. Not only is CHARLES heavily involved in the community, but he is currently producing his first album. CHARLES communicates his thoughts, experiences, and feelings through his music. CHARLES also finds time to get into his studies while working towards a degree in sociology.

Being affiliated with the YMCA has helped CHARLES to focus on the needs and wants of others in the community

Congratulations CHARLES CARSON for your outstanding dedication and commitment to the LateNight program and for being the first recipient to be featured in the **SPOTLIGHT!**
