TO WHOM IT MAY CONCERN:

RE: Lawander A. Thompson

Lawander Thompson worked for us in a federally funded Comprehensive Employment Training Act position as a Clerk Typist I from 8/16/76 until 4/6/77. She accepted another position and we were sorry to have her leave.

Ms. Thompson worked on a special project in our Northwest/Genealogy Department. She worked independently a great deal of the time in completing previously explained and assigned tasks.

Ms. Thompson has a very pleasing personality and worked well with the public.

I will be glad to write an additional letter or respond by telephone to any further inquiries about Ms. Thompson and a specific position for which she may be applying.

Sincerely,

Marile Creager
Assistant Director
