Charles Carson

Memories of yesterday
And dreams of tomorrow
One so close, and one so far
In the past month
We've grown together
Found out who we really are
What the future holds for us
No one knows, but we can see
That friendships bonded in the past
Will in the future be
As we say goodbye to these familiar halls
From which we'll soon be gone
Let it be known, though the people leave
The spirit and memories live on
For throughout the tears and laughter
This time and always after
Our leadership will shine...
