Dear Wanda:

First, I want to express my thanks for all of your hard work this year! Each of the panels did a tremendous job in the round of budget conferences just completed. I know that took a lot of reading and preparation, as well as the actual time spent in the budget sessions with the agencies. You are to be congratulated for the fine job!

At this point the PAC Steering Committee is reviewing all of the panels' recommendations and will be preparing an overall package to go to the Board on November 10th. We will advise you at the earliest opportunity of the final decisions for 1983.

PAC Steering is also starting to think ahead for next year. We will be returning to a spring-time budget conference process, so any changes to be made in our "system" will need to be made soon. We are doing a survey on the agencies to get some feedback on the process.

We would also like your comments about various stages in the process. If you would take just a few minutes and fill out the enclosed survey, it would be most helpful.

Please return the surveys to Terry at United Way by November 2nd.

Again, thanks for all your hard work.

Sincerely,

Rich
