Dear Wanda:

Thank you for your continued support of the Afro-Pageant and Show. Because of your contribution as contestant coordinator, this year's event was the most successful one that we have presented. Being contestant coordinator requires lots of patience and responsibility. You could see how much each of the girl's had grown from their participation in the training sessions which you conducted.

We appreciate your help and we wish to thank, also, the Puget Sound National Bank for giving you the time needed to work with this worthwhile community project.

Sincerely yours,

Daisy McKerson-Stallworth
President
