CM	What was your experience back in Thailand? Very young and little didn't remember much, have fun with friends and went hiking with my dad. We have the same school system.	
NM	Did you experience any challenges back in Thailand?	
CM	I didn't struggle much I was young and the one who struggle the most were my parent.	
Nm	Why did your family decided to come to American.	
CM	To have better life and education, we don't need run away anymore. There was war going on back in Thailand.	
NM	What were some challenges when you first came to American?	
CM	The language barrier and how everyone were speaking English.	
NM	Did you experience racism or bully?	
CM	Not really, I haven't experience racism, when I came here everyone was really nice, I didn't understand English, and they were trying to help me.	
NM	Where did you live when you first came here?	
CM	I live in Kent, and I went to Kent district school, in freshman year I move to Tacoma and live here ever since.	
NM	Have you ever thought about moving out of here? No because I have	
CM	family with me and there the one who supported me. It well always feel like home.	
NM	Which aspect of your culture bring you the most pride?	
CM	the culture well brings me the most pride because it represents who I am. If I forgot my culture my history would fade away. If I had my culture with me I would always remember my history and I can pass it down to the next generation. We don't have an official country.	
NM	What kind of culture do you have?	
CM	New year	
NM	Can you tell us more about new year?	
CM	New year we would have dooh dance, traditional cloth and we would dance with music on the perform.
