To Whom It May Concern:

I have been involved with Ms. Wanda Thompson for a number of years on many projects. But primarily a special interest we both have shared, which is the Afro-Pageant and Show Scholarship Program.

She orchestrated and coordinated the candidates Personal Development Training in the most professional and organized manner.

Ms. Thompson has great dedication towards our youth programs and is committed to their success.

She displays excellence in all her commitments and expresses true leadership skills.

I highly recommend her because she has the style, motivation, and articulation necessary to achieve her highest goals.

Respectfully submitted,

Harriet Williams
