ADDRESS

Dear Nannie - After 3 days  
in Kansas City. I arrived here  
Thurs night, only to find my  
Chinese actors out of town  
so am temporarily staying  
with Edmund, until I decide to  
or can find a room. I might  
suddenly drop in on you with  
a couple of friends who  
want to drive down that  
way. What would you think  
of that? Anyway I would  
write more details before hand.
