Dave Haseleu
Technical Program Coordinator
Air & Waste Management Association
P.O. Box 2861
Pittsburgh, PA 15230

Dear Mr. Haseleu,

With regret I must withdraw my paper No. 91-175.7 from the 84th Annual Meeting of the Air & Waste Management Association. Unforeseen circumstances have limited the time I have available to finish the paper and I think it best to withdraw at this time.

I appreciate the opportunity, and wish you the best of luck with your conference.

Sincerely yours,

Thomas L. Aldrich
