Dear Mame,

New York is a big City. There are many people camping here. Yet they like to see more people. They must inspect every new arrival. They are not interested in Mexico or your impressions abroad. All they want is to tell you about their losses on the stock market, to tell you that the country is going to the dogs - and have you any remedy. I must sympathize with all these people. Therefore I cannot come to Woodlwy this week end - perhaps next Wednesday. If Stan and Nannie are not there how do I get my baggage from Phila to Woodlwy? Is it better to come by bus?

I have just had the greatest surprise: James Cousins is here!! All morning I have tried to reach him by phone. I will try to see him this evening. I hear he is staying until Nov 1st.

Tranquillic is on the book stands. Some people say it is the best book decoration that has been done in America!

Thanks to Nannie for her letter.
If you answer please tell me what Mima said in her telegram

Hasta luego
also with haste

Scho.
