Union Pacific Railroad Company
Department of Traffic
114 South 9th Street
Tacoma 2, Washington

Attention: Mr. F. G. Rothwell, General Agent

Gentlemen:

Wish to acknowledge receipt of your letter of May 24th, your File: D-95-165-113, regarding emergency application for movement of lead matte or residue from North Baton Rouge, La., to Selby, Calif.

We do not have any comments or recommendations to make on this movement. However, we do appreciate your keeping us advised of these applications.

Yours very truly,

GES:EG

GLENN E. SIGLER
