Dear Nannie,

Your charming card from Coulee Dam does not indicate your receipt of a letter I wrote you over a week ago, containing a proposition which should have startled some

POST CARD

reaction out of you: that I remove all my possessions from Lindsey Rd before Jan 1st. A reply had already come from Menlo Park, where the deposition of my things seems favored; tho' strangely enough no mention of such a move had even ~~been~~ hinted at previously.

We all wait news of ourselves. We had not even been sure that you had not already returned to Wilmington. Your S. M.

"G. ART. SOLORTONE" REG. S. D. F. WESLEY A. BREWS CO., PORTLAND, ORE.

P.S. We are having a party Friday night for Olive's
hobbies with a jumbled assortment of people. Now
I leave next week for Calif. - if portraiture orders do
not detain me. T.H.
