WITHOUT A REAL GOOD FIGHT
(to the tune of "A Little Bit of Luck")

We hope you're coming to the State Convention
With lots of program changes in your domes.
Be sure that all your pros and cons are ready,
Cause, ---
Without a real good fight, without a real good fight,
We might as well turn round and head for home!
Without a fight, without a fight,
without a fight we'd sooner stay at home.
Oh, you can be an old Board Backer,
But without a real good fight it won't be right.

Why not think twice about the Constitution?
A thick, fat, dark, and heavy-handed tome.
And don't let taxes in without a battle,
Cause--
Without a real good fight, without a real good fight,
We'd be happier by far at home.
Without a fight, without a fight
without a fight we'd sooner stay at home

Without a fight, without a fight,
Without a fight we'll stay right home.

Yeah team! Fight, fight, fight!

VERSES for STATE BOARD

"WOULDN'T IT BE LOVERLY"

I

All we want is a tax that's fair,
One where each will pay his share -
And no Leaguer tears her hair -
Now wouldn't it be lovely -

To each District we would give
It's due representatives
If the courts would let this live:
Wouldn't it be lovely!

We would watch the administration
of our Merit Bill
Making sure that it is fair
And follows the people's will!

All we want is to know that we
Promote political responsibility,
And if this spreads from sea to sea
Wouldn't it be lovely!!!! Lovely!

Lovely! Lovely! Lovely!

II

All we want is to hear from you
When you know it's the thing to do
No reports would be "Past Due"
Now wouldn't it be lovely

In return, we'll communicate
With each of you on the proper date
Always prompt and never late
Wouldn't it be lovely!

You would peddle our publications
without pain or fuss,
Making lots of dough for you
And maybe a bit for us!

All we want is a Program, dear,
Short and simple, neat and clear --
One you'll like this time next year!
Wouldn't it be lovely!!!! Lovely!

Lovely! Lovely! Lovely!
