CORRESPONDENCE

Dear Nannie -

Walter Handforth's address
is Rosewin Hotel, 162 East
42nd St., N.Y.C.

Many thanks for all the
in-law addresses you have
sent to me.

Stan writes that you are
doing well which is grand
news - I hope you have
a swell time the next few
weeks in the hospital. I enjoy
such institutions myself
especially if I can compare
complaints with other

Here is to be written the

patients. I will be down
to see you one of these days.
There is so much more still
to be absorbed in N.Y. that
I do not leave the country
until after Xmas. For that least
I may go to Foxboro.

Thanksgiving was spent in the
bosom of the Seymour-Danaiah
family. You must meet them
sometime. I think you would
find them very sympathetic

Best to you & 2nd to the
rest of the family
Scho.
