The Honorable Gordon Johnston  
Mayor of the City of Tacoma  
County-City Building  
Tacoma, Washington

Dear Mayor Johnston:

RE: Recommendations for Candidates  
for City Council

On September 19, 1970 a meeting was held in the Black community for the purpose of electing a slate of Black candidates to be submitted to the Governor, Mayor, and members of the City Council for appointment to fill the anticipated vacancies on the Council.

At that meeting, the following people were selected as the Black candidates to represent the Black community on the Council:

Harold G. Moss  
Harold Botley  
The Reverend E. S. Brazil

We urge serious consideration of the above mentioned candidates.

We would like to meet with you and the remaining members of the Council to further express our concerns about this matter.

Sincerely,

Thomas Dixon  
Recorder
