Representing nearly 30 years of youth development and creative cultivation through glassblowing, *GATHER* includes work from 21 Hilltop Artists alumni with artistic practices rooted in the Tacoma community. Featuring a variety of contemporary glass artworks from vessels and sculptures to neon and installations as well as paintings and mixed media, *GATHER* highlights the outcomes and reach of the Hilltop Artists program while shining a light on opportunity gaps faced by these artists, many of whom have not yet been included in exhibitions on this scale. Curated by Trenton Quiucho, Hilltop Artist alum (2008), current Teaching Artist, and Hot Shop Manager. Presented in collaboration with Tacoma Art Museum.

This exhibition is made possible in part by The Dale & Leslie Chihuly Foundation.
