Gentlemen:

Enclosed is one copy each of construction progress photographs taken March 27, 1974, in Tacoma, Washington.

These photos are taken periodically as a service to you and are for your use as you desire.

In the event that Stearns-Roger would ever wish to use any of the photos, we would do so only with your specific permission.

If you would like additional copies of any of the pictures, please let me know.

Final aerial photographs are scheduled to be taken in late June, 1974, copies of which will be forwarded to you at that time.

Very truly yours,

STEARNS-ROGER INCORPORATED
