Dear Nannie - Thanks for your
card from Glacier Nat. Park
you had come this way I must
have shown you another mount-
ain: Mt. Washington, toward
Paradise from the City Center,
and on which I now own
a little dilapidated red wood
pavilion in a dilapidated old
garden with almost an acre
of ground. This is now my home
address. Not being sure if you
are yet back at 604 from your
trip, I shall save the details
until later
As ever
Tom
