## WHAT HAS HAPPENED TO THE PAPER?

Well the July and August paper did not get to press for different reasons. Some changes have taken place.

We would like to thank Larry Nichols for the many hours that he has donated to the paper. He is the person responsible for getting this paper started.

Larry- a very sincere Thank you for your time and talents.

Also Gale Armstrong has donated many hours typing for the paper. Working to meet her deadline with news that was late getting to her.

Gale- Thank you for all your time talent and effort.

Both Larry and Gail have asked to be replaced.

Mrs. Marion Eaton has accepted the job of typist for the paper, and Mrs. Pat Blundell has accepted the job of laying up the paper for printing. We need another person interested in this field to work with her. Anyone wishing to work on the Civic Center Paper, please call and let us know.

## BICENTENIAL COMMITTEE

### SQUARE DANCE NEWS

The Bicentennial Committee met on Wednesday, Sept. 17th. Chairman Pat Greetham introduced the guest speaker, Mr. Norwin Burbidge of the Washington State American Revolution Bicentennial Commission (WSARBC). In his talk, Mr. Burbidge referred to Bicentennial celebrations of the Nation's birthday as being analogous to family celebrations of an individual's birthday in that the occasion is marked out of love and appreciation. He told about Bicentennial activities around the state.

Yakima has purchased old cable cars and is now running them as a tourist attraction and also as part of the city bus system.

Tenino bought an abandoned railway station that was due for demolition. It has been moved to the city park and set up as a museum.

The DeLong school district neighbors in Tacoma built a park and constructed tennis courts.

The Allied Arts in Tacoma is sponsoring a Tour of Homes scheduled for Oct. 10th thru 13th.

A book has been published as a bicentennial project - "Washington State National Parks, Historic Sites, Recreation Areas and National Landmarks" by Ruth Kirk.

The above examples are some of the better efforts of citizens across the state to organize and develop their own projects to honor our Nation's Bicentennial. The Bicentennial has presented the catalyst with which to get these ideas out of the mind and into significant action.

Efforts toward a meaningful celebration on the Key Peninsula are progressing well under the leadership of Pat Greetham. The next meeting of the Bicentennial Committee will be on Oct. 15th at 7:30 in the Gold Room of the Civic Center. If anyone has suggestions for antique displays or collections, please telephone 884-2500.

New Square Dance classes have begun at the Kitsap Square Dance Center in Gorst. The classes are held on Sunday between 2 and 4 PM. with Jerry Vaughn as instructor.

The teenagers have a square dance on every Wednesday evening from 7 till 9 pm. also held at the Kitsap Square Dance Center and Jerry Vaughn is their caller.

The Square Steppers square dance club has a busy start for the Fall season.

For the October schedule the club will travel to the Lacey Daisy's in Olympia with Pat Feeney calling the tips.

October 11th will find them home at the KSDC in Gorst with their own caller, Chuck Wiler as host for the evening.

On the 12th there will be a business meeting followed by a pot luck supper to be held at Elaine and Paul Myers residence in Port Orchard.

October 24th will find the club caravanning to Stellacoom town hall where they will be the guests of the Sun Dancers and their caller Mike De Sisto.

A trip to Victoria B.C. is in the planning stages for the 25th of October. The dancers will drive to Post Angeles then ferry across to Victoria to be met and housed by the Victoria Square Dance Club. A Hawaiian theme has been selected for their main dance.

### HAUNTED HOUSE

This is a very fun event to work on, fun for the entire family or for one person.

This goes together quite easy with interested people. If you have a favorite scary scene or character that you would like to portray, come on and join the fun. You can really ham it up when under a disquise. And it is amazing what ideas come out and what items can be used to create different scenes.

All ages are welcome. There will be a meeting Monday Oct. 6th 7:30p.m. at the Civic Center.

To plan the Haunted House and see how many are interested in participating. Some have expressed a desire to work in the Haunted House. Please come or call Sally Corman. 884-2565

### Whats Happening!

The Salmon Derby was a success and  
proved to be fun for all.

Thanks to all that were involved  
in helping.

We had an Hawaiian Luau Sept 6. It  
was enjoyed by many. The decorations  
were very nice. We would like to thank  
Mr. and Mrs. Ned Richards and Mr. and  
Mrs. Claude Lee for their time and talents  
in decorating for the Luau.

Shirley Olsen has worked very hard  
and was instrumental in bringing the  
Luau to the center.. Thank you Shirley  
Olsen and Betty Flewelling.

The Fire Marshall has come out and  
he was unhappy that the furnace rooms  
were not sheet rocked yet. And that the  
fire doors have not all been hung. We  
are calling a work party for October 4th  
from 10 till 3 if you can work we need

ARE YOU AN ACTIVE MEMBER ?

Are you an active member, the kind that would be missed, or are you just contented that your name is on the list?

Do you attend the meeting and mingle with the flock, or do you meet in private and criticize and knock?

Do you take an active part to help the work along, or are you satisfied to be the kind that just belongs?

Do you work on committees, to this there is no trick, or leave the work to just a few and talk about the clique?

So, come to meetings often and help with hand and heart. Don't be just a member, but take an active part. Think this over members, you know what's right from wrong.

ARE YOU AN ACTIVE MEMBER OR DO YOU JUST BELONG !!!!!

**PEOPLE NEEDED FOR CIVIC CENTER ELECTION**

We have to start thinking of election of officers for next year. We only have three months of 1975. Now that's a shock, but we will need people to run for office for the Civic center. There are many people willing to assist and liking to meet and work with people helps a lot, Also being able to give of yourself and some of your time.

- Offices to be filled are;
- President
  - Vice President
  - Secretary
  - Treasurer
- Also representatives from these areas are needed;

# Grange News

The month of August found us busy with our annual picnic. We had a good turn out, included were guest from other Granges-games, good food and sunshine was enjoyed by everyone.

We had our Civic Center fund raising project in August. Hamburgers and ect. during the Salmon Derby - Thanks to everyone that stopped by to eat. In Sept. we got busy on coming events - fun night was well attended-so was the business meeting Sept 19th. Booster night will be Oct. 17th - a time for prospective members to turn out and see what the local Grange is all about. We hope to see each member present. The evening will start with a pot luck dinner at 6:30 P.M.. A program to follow that all will enjoy.

The Grange Auxiliary met in Sept. at the home of Nita Glass. We had a good attendance, due to several new Grange members this year-. May we remind everyone that all Grange ladies are Auxiliary members. We urge each to attend the meetings. The next meeting will be held on Oct. 6 at 12 noon in the home of Francis Durward at Rocky Bay.

Our lecturer, Lillian Farlow wants all members to attend fun night Oct. 3 to help prepare for Booster night.

## THE OLD OUTHOUSE

Forlorn little outhouse,  
A necessity long time gone,  
In all your life, you never had  
One bit of paint put on.

To get to you, I paced it,  
'Twas thirty yards away;  
But the path to you was strewn  
More than to any other place.

Inside 'twas dark and dreary,  
Worse, in rain or fog.  
Strewn about lay bits of paper —  
From a Sears Roebuck Catalog.

A push-over on Halloween —  
Top-heavy, and so old;  
But it was always about time —  
To dig another hole.

You can see anyone approaching  
Through the knot holes  
everywhere,  
Or the cracks which have grown  
wider,

With the passing of the years.  
So long now little outhouse,  
Take good care of every board.  
I shall come again to see you,  
Until I pass this way no more.

## KEY PENINSULA HISTORICAL SOCIETY

The Key Peninsula Historical Society will meet on the fourth Thursday, October 23, at 7:30 p.m. in the Gold Room of Civic Center.

The October meeting will feature Mr. R. W. Welch of Grapeview who will bring us the story of his trip along "The Oregon Trail."

All are welcome to attend to hear this interesting account.

Refreshments will be served following the meeting.

## COOTIETTE TRIP

QUESTION\*\*\*Can I come to a Civic Center Meeting??

ANSWER\*\*\*You are welcome to come to the Civic Center Meeting the 2nd Thursday, at 7:30 p.m. of each month. They are open to any interested resident. PLEASE COME!! We have the coffee on. Hope to see you there.

Nita Akins.

The national cootiette convention was the destination for four members last August, but some of the highlights were seen before and after the gathing in Washington D.C. by Judy Wilson, Nat Knox, Daisy Harfst, and Jane Van Slyke. They went down through Idaho, Salt lake City, Nebraska and on to the Capitol where they especially enjoyed the Kennedy Performing

Arts Center, the Lincoln Memorial and the White House and Capitol tours.

They then went on to New York and Boston where they enjoyed many tourist attractions and saw the different cities preparing for the Bicentennial. After a visit to Niagara Falls, they headed home via the Trans-Canadian highway through late summer scenery.
