

AMERICAN SMELTING AND REFINING COMPANY
120 BROADWAY
NEW YORK 5, N.Y.

Mr. Eskil T. Engdahl
6014 No. 51st
Tacoma, Wash.

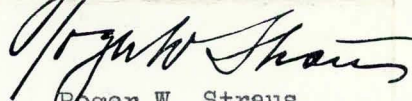

Dear Mr. Engdahl:

We are sending you herewith the story
"Metal Magic" by the well-known author, Isaac
F. Marcossou.

It commemorates the 50th Anniversary of
the American Smelting and Refining Company,
and tells the history of the Company's growth
during the last half-century.

We hope you will find much to interest
you in this story of the organization of which
you are a member.

Very truly yours,

Roger W. Straus,
Chairman

H. Y. Walker,
President
