Dear Stan -

Will you please take my life insurance policy from your safety deposit vault, if that is where it is, and send it, registered to:

Mr. W. Leslie Rogers
Browning Road + Wayne Ave.
Merchantville, New Jersey

I want to make changes in the beneficiaries which I have not done since Mother's death. Will you please ask Mr. Rogers to return the policy to you, if it is not necessary for me to sign it. I am writing to him to this effect directly.

This is no letter: - one from you first.

Scho.
