

CITY COUNCIL MINUTES

City Council Chambers, 4:00 P.M.
Tuesday, January 30, 1968

Council met in regular session. Present on roll call 9: Banfield, Bott, Cvitanich, Finnigan, Herrmann, Johnson, Murtland, Zatkovich and Mayor Rasmussen.

Mr. Bott moved that the minutes of the meeting of January 16, 1968 be approved as submitted. Seconded by Dr. Herrmann. Voice vote taken. Motion carried.

HEARINGS AND APPEALS:

This is the date set for hearing on the appeal filed by Aalpa Investment Co. on the denial of the request for rezoning of the south side of South 48th Street and on both sides of Mullen Street from an "R-2" to an "R-4-L" District.

Mr. Buehler said the Planning Commission, in its deliberation on this rezone, observed that a number of new single-family homes have been built in this general area. With this area now beginning to develop with single-family homes, the Planning Commission felt it was premature, if not improper, to zone a change until the present zoning has been given a fair test. A duplex zone was denied by the Council several years ago for this same reason.

The Planning Commission concluded the lack of dissenting neighbors notwithstanding, it would be premature to recommend rezoning this area to an "R-4-L" District at this time.

Mr. David Hunt from the Aalpa Investment Co. said he had several points to bring out which he thought were misunderstood when they met with the Planning Commission. He added each piece of property is a separate lot and has a separate description. This is not a complex where there is one owner. These are 4-plexes, not apartments. These lots are too small and narrow for residential family dwellings.

The Aalpa Investment Co. has agreed to give the City a road through this area. The City has been trying to obtain land to put in a road and in this transaction they would be willing to deed this over to the City.

When an application was submitted for an "R-4-L" District, no complaints were made from the surrounding area. In fact, letters were received from people who were happy that the area was to be improved.

Mr. Finnigan asked Mr. Hunt how he could say that this area is suitable for 4-plexes if it is not conducive to single-family residences.

Mr. Hunt said he was speaking of one tract where the lots are very narrow. He said it would be possible to have one family residence lot with the convalescent home in the area he did not feel the 4-plexes would take away from the area.

Mayor Rasmussen asked Mr. Hunt if he was prepared to start construction and if so, had they so advised the Planning Commission.

Mr. Hunt answered the Aalpa Investment Co. is prepared to start construction and had so advised the Planning Commission.

Mayor Rasmussen said if the Planning Commission so desired they could include a restrictive covenant in the granting of the "R-4-L"

zoning to restrict this to 4-plexes if it were agreeable to Aalpha Investment Co.

Mr. Hunt said this would be agreeable to them.

Mayor Rasmussen asked Mr. Buehler if there have been any objections to this rezoning from residents in the area.

Mr. Buehler said there was one letter given to the Council from Mr. Musick supporting Mr. Hunt's application. There was also one letter which was clarified before the Planning Commission where the residents did not want a mobile home park in the area. A mobile home park could not be built in an "R-4-L" District without a special use permit and unless they had sufficient acreage (approximately 5 acres) and Aalpha Investment Co. would not qualify to build a mobile home park.

Mr. Bott asked Mr. Buehler if it is mandatory that they provide a certain amount of parking spaces per unit.

Mr. Buehler said at the present time one parking space for each unit is required.

Dr. Herrmann said he felt the arguments presented by the Planning Commission were reasonable. It appears to him that they are trying to put something in this area that doesn't fit the land pattern. He said he was impressed with the fact that the Planning Commission recommended denial of this rezone by a 7 to 1 vote.

Mr. Hunt said the Planning Commission spoke of this rezoning being premature and he wondered how they determine when an area is ready for new buildings. He said he is puzzled because just a few miles down the street there was a garbage dump and no one said anything about that, but now Aalpha Investment Co. wants to build a \$50,000 building and is agreeing to give the City a roadway, but they are turned down.

Mr. Hunt wanted to know if the Council knew when these areas would be ready for rezoning. He felt there is a real need in this area for units because a great number of people would rather live in a 4-plex than in an apartment.

Mayor Rasmussen said there was a question in his mind whether or not this rezone has been considered thoroughly. He wondered if the Planning Commission could work further with Aalpha Investment Co. on the matter.

Mr. Johnson said it had been pointed out that the driveways would be situated so the cars would have to back right out onto the street, and that is objectionable. He asked if there were some other method of handling this situation.

Mr. Buehler said he thought it possibly could be overcome. It would have to be taken under consideration.

Dr. Herrmann said Mr. Buehler pointed out that this area has been allowed to develop and it is a question of whether or not the zoning fits the neighborhood. It was the Planning Commission's argument that it did not fit the neighborhood. If these 4-plexes are allowed to go in, it establishes a pattern for the entire neighborhood.

Mr. Zatkovich said he would go along with the Planning Commission on this as it has been given considerable study and there seems to be a lot of merit in their decision.

After further discussion, Dr. Herrmann moved that the City Council concur with the recommendation of the Planning Commission to deny the rezone. Seconded by Mr. Cvitanich. Voice vote taken. Motion carried.

PETITION:

a. V. E. Kalhagen & Jim Fitzpatrick requesting rezoning of the east side of Mason Avenue between South 21st and South 23rd Streets extended from an "R-2" to an "R-4-L" District.

Referred to the Planning Commission.

COMMUNICATIONS:

a. Communication from Paul J. Garman, Pres., Tacoma Chapter American Association of Retired Persons, relative to extending the time of the Senior Citizens Bus Pass privileges.

Mr. Hendry, Director of Transit, explained this has been a "boon" for the elderly, however, some persons had taken advantage of the situation whereby two people have been using one pass. He added this was not the intent of the pass. The Transit System is now revising the passes, designating them male and female to alleviate this problem. This will also help to identify the pass for the bus driver.

Mr. Johnson thought perhaps the elderly could ride with their pass until 3 P.M. and then after 3 P.M. pay the extra 15 cents instead of 25 cents which might still help to reduce the loss.

Mr. Hendry stated the efficiency of the Department would drop if the elderly people were allowed to use their passes between 3 P.M. and 6 P.M., as that is their peak time. It is known that older people are the most accident prone, and with the heavy traffic between these hours it could become a serious problem.

Mayor Rasmussen requested that an ordinance be drafted taking off all restrictions as to the time limit.

b. Communication from Robert R. McAbee, Executive Director of the Puget Sound Governmental Conference submitting the City's share of payment for the first quarter of 1968 toward the Puget Sound Governmental Conference in the amount of \$2600.00.

Mayor Rasmussen explained that funds were approved in the budget for 1968 for this item.

Mayor Rasmussen remarked that he attended a meeting in Seattle of the Puget Sound Governmental Conference and found there were many areas that have been duplicated. He felt a study should be accomplished to relieve this situation.

Mr. Rowlands, City Manager, explained the monies that had been discussed relative to the Transportation and Airport Study, but when the grant from the Federal Government to the Puget Sound Governmental Conference is consummated, a resolution will be drafted for the amount of funds the City of Tacoma shall allocate.

c. Communication from H. E. Haley, President of the UPS-Tacoma Symphony, requesting that the City Council make available the \$3500 to be added to the general budget of the UPS-Tacoma Symphony.

Mr. H. E. Haley, President of the UPS-Tacoma Symphony, explained that these funds will be used for the purpose of continuing free symphony concerts to the general public including nationally renowned artists at each concert.

Mayor Rasmussen asked why the UPS Fieldhouse couldn't be used for this purpose.

City Council Minutes - Page 4 - January 30, 1968

Mr. Edward Seferian, Conductor and Musical Director, explained that the UPS Fieldhouse is not feasible for these concerts because of the acoustics.

Mayor Rasmussen stated this appropriation also was approved in the budget for 1968.

Mayor Rasmussen asked that a Resolution be prepared to appoint Mrs. Margaret Edwards, 406 South 30th Street, to the Human Relations Commission as the appointment representing the Indian Group. 237

Mayor Rasmussen informed the Council that the Automotive Machinists Local #115 has reached a satisfactory agreement with the City concerning consolidation of the Fire Dept. Repair Shop and Transit Repair Shop. Therefore, a request for a resolution will not be necessary.

Mayor Rasmussen distributed copies of a telegram from Michael A. Barnard, MAB Associates Inc. of Seattle, stating that their firm would charge \$3900 to prepare the Model Cities Application planning grant to be re-submitted to HUD. Mayor Rasmussen indicated an interest in having a private consulting firm prepare the new application. He stated that this firm had prepared Seattle's successful request.

Mr. Rowlands, City Manager, said that Seattle officials had told him they were very much surprised that their application had been chosen over Tacoma's, as Seattle's Personnel staff had collected the raw data for the application as was done in Tacoma. 229

RESOLUTIONS:

Resolution No. 19547

Fixing Monday, Feb. 26, 1968 at 4 P.M. as the date for hearing on LID 4835 for paving on North Vassault from No. 23rd to No. 26th and other nearby streets.

Mr. Cvitanich moved that the resolution be adopted. Seconded by Mr. Zatkovich.

The Resolution was passed unanimously by voice vote.
Ayes 9; Nays 0; Absent 0.

Resolution No. 19548

Fixing Monday, March 11, 1968 at 4 P.M. as the date for hearing on LID 6900 for street lighting on No. 22nd from Proctor to Stevens Street.

Mr. Johnson moved that the resolution be adopted. Seconded by Mr. Cvitanich.

The Resolution was passed unanimously by voice vote.
Ayes 9; Nays 0; Absent 0.

City Council Minutes - Page 5 - January 30, 1968

Resolution No. 19549

Fixing Tuesday, Feb. 13, 1968 at 4 P.M. as the date for hearing on the Zoning Text Amendment for an "R-P" Planned Research Park District. (Petition of the Planning Dept.)

Mr. Zatkovich moved that the resolution be adopted. Seconded by Mr. Cvitanich.

The Resolution was passed unanimously by voice vote.
Ayes 9; Nays 0; Absent 0.

Resolution No. 19550

Fixing Tuesday, Feb. 27, 1968 at 4 P.M. as the date for hearing for the rezoning of the area bounded by Highline Road, 59th Ave. N.E., 26th St. N.E. and 27th St. N.E. (Petition of B. H. Petersen)

Mr. Cvitanich moved that the resolution be adopted. Seconded by Mr. Murtland.

The Resolution was passed unanimously by voice vote.
Ayes 9; Nays 0; Absent 0.

Resolution No. 19551

Fixing Tuesday, Feb. 27, 1968 at 4 P.M. as the date for hearing on the vacation of the alley between 26th St. N.E. & 27th St. N.E. from Highline Road to 59th Ave. N.E. (Petition of B. H. Petersen.)

Mr. Cvitanich moved that the resolution be adopted. Seconded by Mr. Murtland.

The Resolution was passed unanimously by voice vote.
Ayes 9; Nays 0; Absent 0.

Resolution No. 19552

Fixing Tuesday, Feb. 27, 1968 at 4 P.M. as the date for hearing for the vacation of the alley between Prospect & Fife Sts. from approximately 200 feet north of South Tacoma Way north to the N.P.R.R. right-of-way. (Petition of National Oil.)

Dr. Herrmann moved that the resolution be adopted. Seconded by Mr. Johnson.

The Resolution was passed unanimously by voice vote.
Ayes 9; Nays 0; Absent 0.

Resolution No. 19553

Authorizing the execution of agreements with the Eatonville-Pierce County School District No. 404 to cover operational costs of the school.

Mr. Finnigan moved that the resolution be adopted. Seconded by Mr. Johnson.

A. J. Benedetti, Asst. Director of Utilities, explained this has been the policy of the Dept. to reimburse the Eatonville-Pierce County District No. 404 for the additional expenses incurred in educating the children of the City's employees. He explained that the agreement at this time would separate the operation and maintenance expenses from the capital outlay expenses and provide for the continuation of \$7,000 per year for operation and maintenance and accelerate the payment of the City's proportionate share for construction of a guy line in the amount of \$3,000 per year until 1972.

The \$7,000 will remain in effect from school year to school year unless otherwise terminated by a 90 day prior written notice by either party.

Resolution No. 19554

Authorizing the execution of a Mediation Agreement between the Tacoma Municipal Belt Line Railway and the Brotherhood of Railroad Trainmen which provides for certain changes involving replacements on switch crews for men who become ill.

Mr. Finnigan moved that the resolution be adopted. Seconded by Mr. Johnson.

The Resolution was passed unanimously by voice vote.

Ayes 9; Nays 0; Absent 0.

Resolution No. 19555

Authorizing the acquisition of property for the Second Nisqually Power Development Project from Leo P. Keblebek for the appraised market value of \$2,000 at Alder Lake.

Mr. Finnigan moved that the resolution be adopted. Seconded by Mr. Cvitanich.

The Resolution was passed unanimously by voice vote.

Ayes 9; Nays 0; Absent 0.

FIRST READING OF ORDINANCES:

Ordinance No. 18492

Vacating property between Pearl St. & Claremont Drive at No. 30th St. extended. (Petition of United Homes Corp.)

The ordinance was placed in order of final reading.

Ordinance No. 18493

Amending Chapter 13.06 of the official code by adding a new section 13.06.050-20 to include property on the N.E. corner of So. 11th & Mason Ave. extended in an "R-3" District. (Petition of Frank Kupka.)

The ordinance was placed in order of final reading.

Ordinance No. 18494

Amending Chapter 1.30.470 of the official code relative to conducting the election of the Employees' Retirement System.

The ordinance was placed in order of final reading.

Ordinance No. 18495

Amending Chapter 8.12 of the official code to add a new subsection to 8.12.010 relative to Disorderly Persons Defined and Enumerated.

The ordinance was placed in order of final reading.

FINAL READING OF ORDINANCES:

Ordinance No. 18485

Amending Chapter 13.06 of the official code by adding a new section 13.06.050-19 to include property on the S.W. corner of No. 45th and Orchard Sts. in an "R-3" District. (Petition of Douglas R. Fabre.)

Roll call was taken on the ordinance, resulting as follows:

Ayes 7; Nays 0; Absent 2 - Herrmann & Zatkovich (temporarily)
The Ordinance was declared passed by the Chairman.

Ordinance No. 18486

Providing for the improvement of LID 5446 for water mains in Sprague Ave. from So. 12th to So. 15th; So. 17th from Sprague to Prospect and other nearby streets.

Roll call was taken on the ordinance, resulting as follows:

Ayes 7; Nays 0; Absent 2 - Herrmann & Zatkovich (temporarily)
The Ordinance was declared passed by the Chairman.

Ordinance No. 18487

Providing for the improvement of LID 5452 for water mains in Vassault St. from So. 8th to So. 12th St. and So. 10th from Whitman to Vassault St.

Roll call was taken on the ordinance, resulting as follows:

Ayes 7; Nays 0; Absent 2 - Herrmann & Zatkovich (temporarily)
The Ordinance was declared passed by the Chairman.

Ordinance No. 18488

Providing for the improvement of LID 5453 for water mains in "I" and "K" Sts. from So. 88th to So. 90th; So. "J" from So. 88th St. south approximately 550 feet.

Roll call was taken on the ordinance, resulting as follows:

Ayes 8; Nays 0; Absent 1 - Zatkovich (temporarily)
The Ordinance was declared passed by the Chairman.

Ordinance No. 18489

Approving and confirming the assessment roll for LID 4788 for paving on South 40th from Pacific Ave. to A Street and other nearby streets.

Roll call was taken on the ordinance, resulting as follows:

Ayes 9; Nays 0; Absent 0.

The Ordinance was declared passed by the Chairman.

Ordinance No. 18490

Approving and confirming the assessment roll for LID 5408 for water mains in 64th St. West from Orchard to 57th Ave. West and 57th Ave. West from 64th St. West to approximately 1450 feet north.

Mr. Cvitanich suggested that the State Law be amended to permit payment of LID assessments over a 20-year period instead of the present 10-year period as many citizens have multiple assessments.

Mr. McCormick advised that State Law provides a period of 22 years for payment of LID assessments for cities over 300,000 population.

Mayor Rasmussen asked Mr. McCormick to incorporate this suggestion of the LID Committee in the City's legislative proposals.

Mr. Cvitanich reported that the LID Committee suggested that the LID's in the future be contained in smaller areas rather than distributing them throughout the City.

Roll call was taken on the ordinance, resulting as follows:

Ayes 9; Nays 0; Absent 0.

The Ordinance was declared passed by the Chairman.

Ordinance No. 18491

Approving and confirming the assessment roll for LID 5431 for water mains in So. "I" from So. 80th to So. 84th Streets.

Roll call was taken on the ordinance, resulting as follows:

Ayes 9; Nays 0; Absent 0.

REPORTS:

a. MC-521 - Response to Karl J. Beaty, "Utopia at Last" Report.

Mr. Rowlands, City Manager, explained that a recent memorandum submitted to the Council by Mr. Beaty contained information which was both misleading and/or inaccurate. He added this MC explains the population decrease, bonded indebtedness, cost of operation of the General Government and assessed valuation for tax purposes for the information of the City Council.

Mr. Zatkovich stated he was concerned that Tacoma has less employees in the Police Dept., now than the City had ten years ago.

City Council Minutes - Page 9 - January 30, 1968

Mr. Rowlands explained it had been the Council's position that it was for the betterment of the City to have fewer employees who were well paid. The Department this year has been authorized to employ eleven more men and it is hoped to recruit aggressively and to bring the police up to par.

Mr. Zatkovich said he was please to see that the City is now advertising out of the City of Tacoma and the State to recruit police personnel which he had advocated for years, but was displeased at what he termed the lowering of standards.

Charles Zittel, Police Chief, stated the department hires a man on the basis of a good physical specimen, good intelligence and high morals.

Mr. Johnson and Mr. Finnigan stated that over the years Mr. Rowlands had made requests of the Council to increase the Police force and the entire Council has always been concerned about proper police and fire protection.

Mr. Finnigan reminded the Council that many police personnel have retired and police departments all over the world have lowered standards to entice more men.

b. Report from the Fire Dept. for the month of December, 1967.

Placed on file.

COMMENTS:

Mayor Rasmussen asked Chief Zittel why the police report for December, 1967 had not yet been filed.

Chief Zittel stated the report had not been submitted as he had not made his analysis.

Mayor Rasmussen asked Chief Zittel why the reports for the previous months had always been submitted earlier. He asked if Chief Zittel was requested to hold up this report.

Chief Zittel stated that Mr. Rowlands, City Manager, had advised him there was no hurry to submit the report until a twelve month comparison could be submitted and an analysis made. This report was ready about a week ago but never before had they had such a comprehensive report at this time. A nine month comparison is not a complete yearly record, he added.

Mr. Rowlands explained he and Chief Zittel wanted the opportunity to analyze the December crime statistics in comparison with Seattle, the only large city near Tacoma. Therefore, the report was held up to be analyzed.

Mr. Cvitanich said the proponents of the Council-Manager form of government had raised the issue of crime with their vile campaign of innuendoes and misleading facts. He was concerned about the report on the venereal disease rate which exceeded 500 cases in the last year. There is more to this than just the statistics, he added.

Mayor Rasmussen asked Chief Zittel if this was the reason the report had been withheld from the Council, due to the crime index which reflected a sizeable increase.

Chief Zittel stated this comprehensive report was probably the only police report in the State that is so complete. The report is usually submitted by the latter part of March. This is the first time that Tacoma has had such a complete report out this early.

City Council Minutes - Page 10 - January 30, 1968

Chief Zittel compared the statistics with Seattle. He noted it had been his practice to compare Tacoma's crime index with statistics from several West Coast cities as well as with Seattle. He mentioned that a comparison of Tacoma crime rates with Seattle's for the first nine months of 1967, on a basis of crimes per 100,000 population, Tacoma was lower in rape, robbery, burglary and larceny. He felt there was a danger in comparing figures over the years because of changes in the procedures for reporting offenses.

Mrs. Banfield felt the VD rate was probably higher than reported as many cases never come to light.

Mr. Zatkovich said the local VD rate is higher than Seattle.

Chief Zittel defended the police operations and argued that higher venereal disease rates were not the fault of his department. He said there has been increased reporting of venereal disease statistics to the Health Department.

Mayor Rasmussen asked that Marshall Riconosciuto who is Chairman of the Urban Renewal Study Committee give a report on the studies being made by the Committee.

Mr. Riconosciuto, Chairman of the Committee, stated his Committee had met with Mr. Richmond, Urban Renewal Director, and requested that all figures be made available relative to the three urban renewal projects. He wished to point out that all members of the Committee will work with the best intentions in mind.

He continued, questions that are asked relative to the projects are as follows: gross project costs as well as land sales, net project costs, information on where the money was coming from and where it is being spent & the rights of property owners in each project. These are the areas that they have been requested by Mayor Rasmussen to examine. The Committee will present the figures to the Council as soon as possible.

Mayor Rasmussen listed the members of his Urban Renewal Study Committee: Marshall Riconosciuto, Chairman; Lyle Swedberg, Architect; Art Jordan, retired President of Langendorf Bakery; Roger Crusan, Business Agent for the Carpenters Union, and Mrs. Eva Stewart, President of the Park Board.

Mayor Rasmussen felt a complete picture on the Urban Renewal Projects will be received.

Mr. Rowlands explained he hoped the committee will make it clear as to what additional tax revenues will be derived when the urban renewal program is completed. He also felt that the staff should be able to work with the Council members to bring them up to date on this program.

Mr. Richmond stated the report that has been given to Mr. Riconosciuto is a normal monthly report. They are prepared each month and are available to any Council member.

Mr. Finnigan remarked that it has been mentioned that Mr. Rowlands, City Manager, was out of the city for six months last year and the former Mayor also out of town six months.

Mr. Rowlands said he would like to explain the time he has put in working for the City. On the basis of weekends and nights hours he actually had spent fourteen and one-half months on the job. He added

City Council Minutes - Page 11 - January 30, 1968

he was away from his office a total of 23 days on business connected with the International City Managers' Association, which is a good deal of the business concerned Tacoma projects and his three-week trip to Europe was on his vacation allotted time.

Mr. Cvitanich reported that last Nov. the Mayor appointed an Audit Committee composed of Mr. Zatkovich, Mr. Bott and himself, to meet with Knight, Vale and Gregory, Consultants, relative to an audit. Three meetings were held relative to the overall cost of a complete independent audit, aimed at resolving doubts the public might have about the handling of the City finances. Many areas were explored by the Committee and agreed that it would cost approximately \$65,000 to \$85,000. This excludes the Dept. of Public Utilities. It would also be a Management type audit with recommendations.

Mr. Rowlands stated that the City of Tacoma has two full time auditors who are hired by the State on duty every day of the year in Tacoma.

Mr. Finnigan remarked that since 1962 Knight, Vale and Gregory audited various Departments through 1967.

Mr. Cvitanich felt the expenditure of \$85,000 would be money well spent.

Mr. Gaisford, said that he had submitted direct copies of the letter to the Council members that he received from Cliff Yelle, State Auditor, on the allegations of any disappearance of funds from the time of 1953 when the form of government was changed from Commission form to Council Manager form. He said this letter should be in the Council members' files and he had asked the Council members to notify people in reference to this matter. He said he did not believe there could be any allegations in regard to the disappearance of any funds within the City.

Mr. Gaisford said in reference to the request for an audit for the general government, he felt that the Belt Line, Water and Light Depts. should be included in the audit. He advised the Council that the expenditures of funds within the Light, Water and Belt Line Divisions is way in excess of the general government. One-half of the City employees belong to those three utilities. Approximately one-half of all the claims paid by the City are paid through the Finance Dept.; if an audit is to be made, they request a complete audit. Every department should be audited, every voucher and every receipt.

Mayor Rasmussen stated there was not any question about Mr. Gaisford's integrity, all the money had been spent and spent in the proper fashion.

After further discussion, Mayor Rasmussen directed the Audit Committee to continue gathering information about an audit and submit the results to the Council.

Dr. Homer Humiston, State Representative, announced that a hearing by the Public Pension Commission will be held Tuesday, Feb. 6th, 1968 at 7 P. M. in the Public Utilities Bldg. Auditorium, relative to the subject of Police and Fire Pensions. He would like to have as many Council members present as possible.

Mayor Rasmussen asked if the contract for the demolition of the Old City Hall Annex has been let.

Mr. Schuster, Director of Public Works, stated bids will be opening for this project on Monday, Feb. 5th, 1968. The Resolution will be presented to the City Council for their approval.

City Council Minutes - Page 12 - January 30, 1968

Mayor Rasmussen reported that he had attended the Regional Air Pollution Committee meeting and they have now finalized the draft of the Air Pollution regulations. Copies will be available in the Mayor's office to puruse. He added, Mrs. Gilman of the Citizens' Committee has been serving on the advisory Committee. It will now be necessary to hold public hearings on this regulations. The first hearing will be held on March 1st, 1968 at 10 A. M. in the County Commissioner's Chambers on the 10th floor of the County City Bldg. 246

Ronald Thompson, Attorney, who was Chairman of the Housing and Social Welfare Committee, defended the Council Manager form of Government. He also stated a hearing was held on Jan. 22, 1968 relative to the re-application for a Model Cities grant. He felt the Council should act immediately upon this request. 221

Mr. Frank Russell, President of the Tacoma NAACP Chapter, requested that the Council reapply for the Model Cities grant. He felt that Tacoma did not have to go to Seattle for assistance in preparing an application. 221

Mayor Rasmussen stated that the Council was gathering information to consider a re-application for the Model cities grant. 241

There being no further business to come before the Council, upon motion duly seconded and passed the meeting adjourned at 10:00 P. M.

A. L. Rasmussen
MAYOR

Attest:

Josephine Melton
City Clerk
