

MINUTES OF SPECIAL HEARING ON ROUTE S-3, TACOMA SPUR

October 4, 1971.

The Special Hearing on designating Route S-3 as the corridor for the Tacoma Spur was called to order at 7:30 P.M. by Mayor Gordon Johnston in the City Council Chambers.

Council members present on roll call: Corsi, Egan, Finnigan, Herrmann, Maule, Moss, Schroeder and Mayor Johnston. Absent: Jarstad.

Mr. Bob Anderson, City Engineer, reviewed the program established by the State Legislature relative to Urban Arterial Funds, the State T-4 Route and the Bayside Drive, and advised that the route under discussion was to be the connecting link between the T-4 and the Bayside Drive. He then introduced Mr. Robert Myrdal of Tudor Engineering Company.

Mr. Robert Myrdal, Project Manager of Tudor Engineering Company reviewed the traffic patterns in the central business district and also reviewed the three main routes of the City's downtown spur project; these routes being S-1, S-2 and S-3. He concluded his presentation by stating that Tudor Engineering Company recommends that the City adopt the S-3 plan.

The following spoke in favor of Route S-3:
Alan Liddle, Architect, 703 Pacific Avenue
August vonBoecklin, President of Downtown Tacoma Association
Brad Gierke, 323 Borough Road
Don J. Brown, Tacoma Area Chamber of Commerce
Bud McIver, downtown Tacoma property owner
Jerry Geehan, 1216 Karl Johan Road.

After a 10 minute recess, the meeting reconvened at 9:45 P. M.

Transition speaker (neither for or against):
Kathryn Haley, 3935 North Mason.

The following spoke against Route S-3:
J. W. Anderson, 1208 Sunset Drive
