Disposition of A communication from Isaac N. Anderson Vice Pres Point Defiance Rail Way Co with reference to a petition of J. B. McMillen and others asking that the use of steam motors upon that line of Street rail way be discontinued after Mar 27th 1891. upon a motion the time for use of said motors was extended three months from March 27th 1891 conditioned upon the company giving a fifteen minute service to North 17th Street.

A communication from the Tacoma Light & Water in reference to and accompanying a table of relative rates charged by different cities for use of water

Refd to Ways & Com.

The following opinions of the City Attorney were adopted

In reference to the petition of Lottie Bennett for reduction of street assessment for the improvement of Tacoma Ave. from North 6th to Star Street in which she offers $150.00 as the compromise for said assessment, and which was recommended favorably by the Board of Public Works, I have the honor to report: That I have examined into the matter and find that her assessment was based upon the valuation of the whole tract of land, the greater portion of which the city took for the improvement of such street and would therefore recommend that her proposition be accepted.

Very respectfully,

J. C. Macgregor

City Attorney.

In the matter of the claim of the Tacoma Steam Laundry for $30.00 for damages sustained through the collision of one of the fire engines which was referred to me I would respectfully report: That from all information I have obtained, the accident occurred without any negligence on the part of the city, and that the bill should not be allowed.

Very respectfully,

J. C. Macgregor

City Attorney.

City Council of the City of Tacoma.

In the matter of the petition of J. G. McBride for payment of a strip of land which Yakima Avenue runs through, I have the honor to report: I have examined the matter with the city surveyor and my opinion is that his offer should be accepted, as the cost of condemnation proceedings would, in all probability, amount to a great deal more than the price he asks for the land.

Very respectfully,

J. C. Macgregor

City Attorney

The proposal of John G. McBride accepted and the Clerk ordered to draw a warrant for the sum of $1553.00 when the said McBride makes dedication deed to the city for the east strip of land lying between lot 17, Block 5, Byrds addition to the City of Tacoma and the North line of the South 8.25 acres of S. S. Hilton's pre-emption claim.

In reference to the petition of the Peninsular Electric Railway Co. for permission to lay "T" rails on certain streets in the City of Tacoma I have the honor to report: I have examined the franchise granted to said company and find that the only rail that can be laid is the most approved pattern of "girder" without the consent of the council.

Section 5 of the ordinance reads as follows:- "The cars to be used shall be of the most approved improved construction provided with all the latest improved brakes and other necessary appliances and the rails to be of good iron or steel, and of the most approved pattern of girder, and no other pattern shall be used except by permission of the city council, and no locomotive or engine propelled by steam shall ever be used upon any of the said several lines of railway or railways, or any part thereof".

Respectfully submitted,

J. C. Macgregor

City Attorney.

The prayer of the petition of the Peninsular Electric Co not granted.

Journal of the Proceedings of the

In the matter of the recommendation of the Board of Public Works to & may allow the property owners to lay a temporary sidewalk on Railroad Street along Block #1504, would say: That I am of the opinion that it would be in violation of city Ordinance No.344 which reads that sidewalks in said block shall be laid in tile, stone, cement, brick or some other fire proof material. And this council cannot give permission to lay any other kind of sidewalk without amending Ordinance No.344 aforesaid.

Very respectfully,

J L Mc[illegible]

City Attorney.

Notice is hereby given that on the 2d day of May, 1891, the following petition for vacating all of the alley between blocks No. 3711 and 3713 and North Seventh and North Eighth streets was filed in the office of the city clerk of the city of Tacoma, to-wit:

To the Honorable City Council of City of Tacoma:

Gentlemen:—The undersigned, your petitioners, respectfully represent that they own all the real estate abutting on that part of the alley lying and being between blocks No. 3711 and 3713 and North Seventh and North Eighth streets in the city of Tacoma, Pierce county, Washington.

Your petitioners therefore pray that all that part of said alley lying between blocks No. 3711 and 3713 and North Seventh and North Eighth street as aforesaid, may be vacated as provided in the charter.

Your petitioners hereby agree to pay to the city of Tacoma the appraised value of the alley hereby vacated, as the same may be determined by the city council, provided said value does not exceed one dollar.

Your petitioners state, as a reason for said vacation, that a large permanent exposition building is to be erected and maintained upon the property abutting the entire area of the alley so to be vacated, and that the interest of the city of the exposition is to be held in said building are for the good and benefit of Tacoma and the surrounding country, as well as that of the state generally.

Referring to the petition of E. D. Fitch, D. V. Grandin and Carl J. Linkquist for permission to improve Locke Street between Ross Ave. and 6th Ave. by private contract at the expense of the owners fronting thereon, I have to state:- I can find no provision in the charter authorizing improvements to be made in the manner stated by the petitioners. The city would not be protected against any claim for damages nor for wages of laborers, as no bond would be given to indemnify the city in such cases.

I am, therefore, of the opinion that the charter does not contemplate improvements in the manner above referred to.

Yours respectfully,

J. Miller Chapman
City Attorney.

In reference to vote on passage of ordinance for vacation of 10 feet each side of alley between Blocks 522 and 523.

I have considered the petition of sundry owners of lots in Blocks 522 & 523 in the Central Addition to Tacoma, asking the council to take proceedings to vacate ten feet on each side of the alley between said blocks, and to attach the parts of said alley so vacated to the lots in said blocks 522 & 523 abutting upon the same. And I have further considered the question submitted by you as also to the "legality of a majority vote in passage of such ordinance".

Section 20th of the charter says "that no vacation shall be made of any street, avenue, alley, public ground or plat, except by the affirmative vote of two-thirds (2/3) of all the members of the city council," that is to say, that to pass the ordinance in question it will require the affirmative vote of not less than six members of the city council.

To the Honorable the Mayor and City Council.

Gentlemen:-

We, your committee on streets and public property, to whom was referred the matter of the investigation of the action of certain officials of the city in connection with the city stables would respectfully make the following report. We find as follows:-

On May 26th, 1890, the City Council of this city, on recommendation of the Street Committee passed a resolution allowing the Street ~~Superintendent~~ Commissioner to keep a team in order to facilitate the work. This precedent has been followed by the Board of Public Works.

We also find that, by the approval of the Board of Public Works, Mr. James, the city time-keeper was allowed a horse for official duties. These horses were shod and fed at the expense of the city.

We also find that a team formerly belonging to Mr. Hodgins was employed part of the time by the city and was kept at the city stables. The keeping of which has been paid for.

We have been unable to find where the city has been defrauded in any respect.

We also find that it is customary in other cities that officials are furnished teams necessary for the proper discharge of their duties in the inspection of work &c., and we endorse the action of the Board of Public Works in the matter.

City Clerk

STATE OF WASHINGTON)

County of Pierce)

I, George Haskin, of lawful age, being first duly sworn, do depose and say: That I was city clerk of the city of Tacoma during the year 1891; that as such city clerk I caused to be advertised, on June 13th, 1891, a notice of the filing in my office of the assessment roll for the improvement of First street from Steele street to Jefferson street in the city of Tacoma; that the time for remonstrance to said roll expired on the 27th day of June, 1891 and no remonstrances having been filed said city council on the 29th day of June, 1891 duly passed an order wherein and whereby the said city council did recite the facts above mentioned and ordered that the said assessment roll be approved and confirmed in all respects; that I have examined the minutes of the city council of the date of June 29th, 1891 and find that the entry of said order was omitted through an oversight, as affiant verily believes, from the fact that my order to the City Treasurer for the issuance of warrants in payment of said assessment roll bears date June 29th 1891, appears upon the books of said City Council and I think I am fully justified in making this affidavit.

In the matter of the petition of the Excelsior Park Land Company for vacation of streets in following descriptions.

To the Honorable the Mayor and City Council of the City of Tacoma and to the Honorable Board of Public Works:

The undersigned your petitioner respectfully shows that it is a resident in the City of Tacoma who owns a majority of the real estate in the following described blocks, that is to say, they own all of the following described property situate in the City of Tacoma, County of Pierce, State of Washington: All of Blocks numbered one, two, three, four, five, six, seven and eight as known and designated on a certain map, entitled "The Phoenix Addition to Tacoma, W." which map was filed for record in the office of the Auditor of the said Pierce County on the tenth day of September, eighteen hundred ninety, which said blocks embrace all the land shown on said map save so much thereof as is thereon indicated as streets; that your petitioner owns a majority of the real estate in the following described blocks; that is to say, they own all of the following described property situate in the City of Tacoma aforesaid: All of blocks numbered thirteen, fourteen, fifteen, sixteen and seventeen as known and designated on a certain map, entitled "Westbrook's Addition to Tacoma, W.T." which map was filed for record in the office of the Auditor of the said Pierce County on the fifteenth day of November, eighteen hundred eighty nine.

That your petitioner by this petition seeks to have vacated from Howard street as shown on said map, entitled "The Phoenix Addition to Tacoma, W." to the northerly boundary line of said Phoenix Addition all of the following described streets: Harrison, Westbrook, Birmingham and Chicamauga and from the northerly boundary line of said Phoenix Addition to the southerly line of Philadelphia street all of the following described streets as shown on said map, entitled "Westbrook's Addition to Tacoma, W. T.", that is to say, Harrison, Westbrook, Birmingham and Snyder.

That the particular circumstances and the reasons why the prayer of this petition should be granted are as follows: The tract of land known as the "Monticello Park Addition to the City of Tacoma, Washington Territory" lies immediately to the south of the tract of land aforesaid known as "The Phoenix Addition to Tacoma, W." and the said tract of land commonly known as "Westbrook's Addition to Tacoma, W. T." lies immediately to the north of said tract of land commonly known as "The Phoenix Addition to Tacoma, W. ."

That the street shown as Broadway on said maps, entitled "The Phoenix Addition to Tacoma, W." and "Westbrook's Addition to Tacoma, W.T." is a part of a long street passing through several additions, the width of which the greater portion of its way is one hundred feet, but as it now exists through said last mentioned additions two ugly jogs exist making it much narrower through these additions than at other points.

That Harrison street as shown on said maps, entitled "The Phoenix Addition to Tacoma, W." and "Westbrook's Addition to Tacoma W. T." is but seventy feet wide, and though nearly a prolongation of a street bearing the same name eighty feet in width in the "Monticello Park Addition to the City of Tacoma, Washington Territory", yet by reason of the difference in width and by reason of the said "The Phoenix Addition to Tacoma, W." and "Westbrook's Addition to Tacoma, W. T." having been platted at different times said Harrison street contains two ugly jogs.

That Westbrook street as shown on said map, entitled "The Phoenix Addition to Tacoma, W." and "Westbrook's Addition to Tacoma, W. T." is but seventy feet in width and though nearly a prolongation of a street in "Monticello Park Addition to the City of Tacoma, Washington Territory" eighty feet in width known as Fulton street, yet at the boundary line between said "The Phoenix Addition to Tacoma, W." and the said "Monticello Park Addition to the City of Tacoma, Washington Territory" there is a considerable jog by reason of said difference in width, and at the boundary line between said "The Phoenix Addition to Tacoma, W." and "Westbrook's Addition to Tacoma, W.T." ~~XXXXXXX~~ there is another jog by reason of the said "The Phoenix Addition to Tacoma, W" and Westbrook's Addition to Tacoma, W. T." having been platted at different times.

That Birmingham street as shown on said maps, entitled "The Phoenix Addition to Tacoma, W." and "Westbrook's Addition to Tacoma, W. T." is but seventy feet wide, but an ugly jog exists in the same where it passes from one addition to the other.

That Chickamauga street as shown on said maps, entitled "The Phoenix Addition to Tacoma, W." although practically a continuation of Snyder street as shown on said map, entitled "Westbrook's Addition to Tacoma, W.T." yet an ugly jog exists in the same where it passes from one addition to the other.

That all of the blocks in the map, entitled "The Phoenix Addition to Tacoma, W." are made by two tiers of lots abutting upon each other and have no alley between them.

That blocks number fifteen, sixteen and seventeen in the map, entitled "Westbrook's Addition to Tacoma, W.T." are formed by two tiers of lots abutting upon each other and have no alley between them.

That by replatting all of said land shown on said map, entitled "The Phoenix Addition to Tacoma, W." and so much of said land shown on said map, entitled "Westbrook's Addition to Tacoma, W.T." as lies south of Philadelphia street all of the irregularities hereinabove set forth can be nearly corrected, and alleys can be made between the lots, and the streets can be increased in width to the great advantage not only of your petitioner but to the general public.

That if your Honorable Body will vacate the streets and portions of streets above described and will assign said portions of said streets or real estate so vacated to the owners of the abutting property on either side of said streets your petitioner hereby agrees to replat all of the land now embraced by what is commonly known as "The Phoenix Addition to Tacoma, W." and so much of the land known as "Westbrook's Addition to Tacoma, W." lying south of Philadelphia street in said last addition in such manner as to give said street known as Broadway and passing through said additions as near as may be a uniform width through the same; and ~~that~~ Harrison street, Fulton street and Chester street as shown on said map, entitled "Monticello Park Addition to the City of

Tacoma, Washington Territory" shall be continued northerly their same width to their respective intersections with Philadelphia street in said "Westbrook's Addition to Tacoma, W. T." and will also make alleys between all lots shown on the replat of said property aforesaid.

WHEREFORE your petitioner prays that all of Harrison street, Westbrook street, Birmingham street and Chickamauga street as shown on said map, entitled "The Phoenix Addition to Tacoma, W." be vacated and that the streets so vacated be assigned to the owners of the abutting property on either side of said streets; and that all of Harrison street, Westbrook street, Birmingham street and Snyder street as shown on said map, entitled "Westbrook's Addition to Tacoma, W.T." lying south of Philadelphia street as shown on said last mentioned map be vacated and that the portion of said streets so vacated be assigned to the owners of the abutting property on either side of said streets.

In reference to complaint from Commercial Electric Light Co of certain parties without franchise furnishing power for light and heat to private parties. the opinion of the city Atty herewith was adopted. and the Chief of Police instructed to prevent such stringing of wires.

I will state that it is my opinion that no private person has any right to furnish light to others than himself without a franchise, for the reason that the stretching of any wires across a street, alley or highway, or the use of the streets, alleys or highways for the purpose of wires, poles or other line would be an onstruction of the street which can only be granted by the council by ordinance.

Any person or corporation using the streets, alleys or highways by erecting poles or stretching wires thereon, without first obtaining a franchise therefor is in violation of the city charter and ordinances of the city.

Tacoma Wash., Dec. 12th, 1891.

To the Honorable President and Members of the City Council,
of the City of Tacoma.

Gentlemen:-

In accordance with the provisions of the city charter we, the undersigned, your committee on finance, have examined the books and accounts of the city ~~xxxx~~ treasurer from November 4th,1890 to November 1st, 1891 and we find the same to be correctly and well kept.

The warrants and vouchers redeemed by the city treasurer between the above named dates amount to $1,341,464.85, with interest thereon to the amount of $62,629.37. All have been checked up and properly canceled and we recommend that the city treasurer be relieved from the further custody of said canceled warrants and vouchers, and that he be ordered to deliver the same to the controller.

We have also examined and counted the cash, checks and bank accounts of the city treasurer up to, and including December 9th, 1891 and find that there was on that date $242,422.09 in the hands of the treasurer.

We have also examined the books of the controller and find that they balance in every respect with those of the treasurer, and that they are correctly and well kept.

Yours respectfully,

H C Clement
C M Johnson
E S Orr
Committee on Finance

Be it resolved by the City Council of the City of Tacoma that the City Treasurer be and he is hereby instructed to turn over to the City Controller all warrants and vouchers cancelled by the finance Committee and that the Treasurer be relieved from the further custody of the same.

Resolution No. 1248

The following letter, addressed to Mayor Kaulfe, was published in the News last evening:

[illegible]

This letter was supplemented by a long report of an interview had with Judge Allyn and Mr. Christie, whom Judge Allyn appointed receiver of the Call. This interview, which, the News declares, came from the court stenographer, is followed by a statement of certain ordinances for which it is claimed the city has been charged twice.

TO THE POINT.

Mayor Kaulfe investigated the charges thoroughly and returned the following reply:

Tacoma, Wash., Dec. 9, 1891.

Hon. Judges Frank Allyn and F. Campbell, City.

Gentlemen: Your citizen's favor of the 5th handed to me this morning and I have read you my thereon. While I am not [illegible] connection with the city [illegible] and with any such [illegible] I do not [illegible] to be opposed to it as the editor [illegible] insinuated in said [illegible] and in any [illegible] As you [illegible] I have [illegible] and [illegible] [illegible] [illegible]

Tacoma, Washington, Dec. 12th, 1891.

Honorable City Council of City of Tacoma.

Gentlemen:-

On the 9th inst, I received from the Honorable Judges Frank Allyn and F. Campbell a communication stating, in effect, that the Tacoma Evening Call is the official newspaper of the City of Tacoma under a contract, and doing the city printing. That on the third day of this month R. R. Christie was, by the Court, appointed receiver of said newspaper, and since that date has had charge of its books, etc. The receiver gave them notice, and it is charged, that gross abuse has resulted from this contract, and that the city has been wronged thereby.

These charges, emanating from the high source which they did, were entitled to immediate investigation, and a meeting of the Finance Committee was called, and that Committee and myself have thoroughly investigated the matter. As the report of this committee has been published in the press of the city, and will be presented to your Honorable body this evening, it is unnecessary for me to advise you further in regard to the matter. The Committee, however, only examined such matter as had been referred to by the Honorable Judges and the receiver, and these embraced ordinances published by the city clerk only.

Desiring to ascertain whether any other branch of the city government had considered it necessary to have had proceedings republished, I called upon the Board of Public Works for a statement of any orders, resolutions or other matters, emanating from that office, which had been republished, and the reasons for the same. In response to this request the Board addressed me the letter inclosed herewith, from which you will see that seven notices of intention, have been republished and the reasons given by the Board for its action.

Very truly yours,

[illegible]
Mayor.

Mayor. The Board of Public Works having in response to the request of the for inches a list of the following named streets as readvertised by their order. The following named gentlemen were appointed a committee to draft and present appropriate resolutions. "Miss Johnson. Meath and Warner." who reported by the following which was adopted.

WHEREAS, the Honorable Howard Carr, a member of the city council of Tacoma, Wash. has departed this life on the 13th day of December A.D., 1891,; and

WHEREAS one little circle has been broken for the first time by the hand of death;

Now be it resolved by the city council of the City of Tacoma:

That we sincerely deplore the death of our fellow councilman who has endeared himself to us by his brilliancy of mental attribution and kindliness of heart:

That we bow in reverence to the blow that has fallen and deprived his family of their head and us of one of our brightest and ablest members and that we extend to his family our deepest sympathy and love and to the City of Tacoma our realization of its loss.

Be it further resolved that a copy of this resolution be spread upon the minutes of the city council of Tacoma and that a copy hereof be sent to the family of the deceased.

And we request that all members of the City government cease from all business during the hours of the interment of our brother on the 15 Fifteenth day of December, 1891 from 12 to 3 o'clock. P M.

The City Clerk was instructed to provide carriages necessary for use of the family of the deceased and for officers of the city government wishing to take part in the funeral services. The Chairman appointed as pall bearers Mess Meath and Orr.
