REPORTS BY CITY MANAGER:

Ray E. Corpuz, Jr., City Manager, introduced Mr. Mike Smith, who will be serving as a special intern in the City Manager's Office for the next three months.

COMMENTS AND COMMITTEE REPORTS OF CITY COUNCIL:

Mayor Vialle reminded the Council that Council Members Warnick and Moss would be on "City Line" tomorrow night at 6:30 p.m. with Art Popham. She stated that interested parties may call their questions in on 591-5168 or 591-5169.

Mayor Vialle also reminded Council Members of the Council workshop this Friday, July 13, 1990, at Silverdale Resort beginning at 9:00 a.m. and continuing until about 1:00 p.m. on Saturday.

Council Member Warnick said they had just had a holiday week and a long hot weekend, and a neighbor who happens to reside just over the Lobster Shop wanted to compliment the Police and the City for the loitering ordinance and the way that they had been handling the traffic around that area.

Council Member Moss stated he was at the "Taste of Tacoma" and that it was fantastic. However, while he was there a gentlemen came up to him and told him that he had been in Fred Meyer's and had witnessed what he thought were 15 year olds buying .38 caliber bullets. Council Member Moss stated that he couldn't believe that was happening so he went to the sports department in Fred Meyer's and found out that they don't really have a policy. Council Member Moss called Chief Fjetland and the Chief asked Jim Hairston to look into it. There is no state law that limits the age of a person buying bullets. Anyone can buy them if someone will sell them, but there is federal regulation. Chief Fjetland and Jim Hairston will get back to the Council with what they feel might be an appropriate method to deal with that issue.

Council Member Miller complimented the Police for the way they handled the crowds on the waterfront at the Fourth of July celebration and for keeping it a family affair this year.

Council Member McElliott complimented the Public Works Department for all the extra work done around McKinley Park and for the work the garden crews have been doing all over the City.

Council Member Nielsen stated that two weeks ago he moved to reconsider the denial of the Special Use permit on the Snake Lake Interpretative Center and at that time the verbiage of his motion was to reconsider the matter and set the matter over until the 17th of July or a later date to be determined.

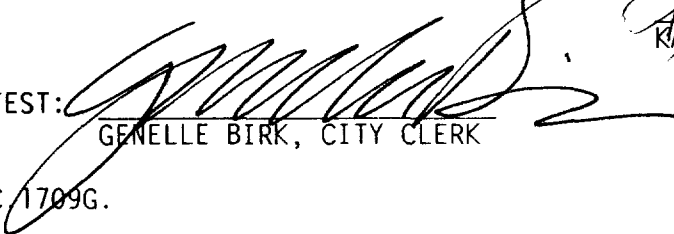

Council Member Nielsen stated that Nancy Forster, of the City Manager's Office, has been facilitating all the arrangements for the meetings of the various parties and due to vacation schedules, it would not be possible to have any kind of resolution to the problem by next Tuesday.

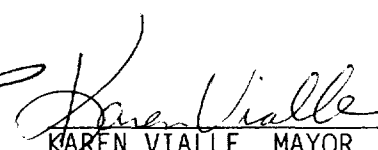

Council Member Nielsen then moved that the date of July 17, 1990 be substituted with that of August 7, 1990 or at a later date to be determined. Seconded by Council Member Miller. Voice vote was taken and carried. The motion was declared adopted.

On proper motion, the meeting was adjourned at 8:55 p.m.
